Sir

I have the honour to state that the cost of printing in the Municipal Office has increased considerably though much of the duplication work like printing of the Agenda, copies of Resolutions of previous meetings, accounts etc, are cyclostyled The Councillors complain that the cyclostyled copies are not legible and sometimes cannot be deciphered Ever the Cyclostyle Machine is ~~also~~ out of order and cannot be improved To avoid the recurring charges and the complaints it was proposed to have a Gestetner Duplicator which will be useful not only to duplicate as many copies as we want ~~but~~ but also to print letterheads etc, it is anticipated that the annual printing charges of the Municipality will be very much lessened if such a Machine is owned by the Municipality The Municipal Council at their meeting held on 27-6-42 have ~~resolved~~ resolved to buy one such Machine at a cost of Rs 850/- this quotation has been accepted by the Stores Purchase Committee also The Deputy Commissioner was also present when the working of the Machine was demonstrated and he was pleased to advise the purchase of the machine for the use of the Municipality The amount will be met out of the Provision under "A 2 D Furniture" wherein a provision of Rs 1,900/- has been made in the Budget for 1942-43 The expenditure will be restricted in other items provided in that Head

I request you to kirdly obtain sarction of Government to the Resolution of the Council very early as the cost of the Machine ma -terials- due to war conditions

A copy of the Resolution is enclosed

I have the honour to be,
Sir,
Your most obedient servant,
